COLOR PRINTS OR TONED PRINTS

Easy as A-B-C

MANSFIELD *Single Solution* COLOR TONERS

With Mansfield Color Toners it's easy and simple to add sparkling beauty to any good black-and-white print. For beautiful, full color pictures, apply toners directly to prints. For single color effects, simply immerse prints in toner solution. Work where and when you please . . . no darkroom is needed . . . no bleaching or masking . . . positive results. Six colors: blue, brown, green, magenta, red, yellow. Every shade of the rainbow possible by combining colors.

3 Oz. Bottle, Any Color (Enough for 120 Prints)
